Review date: 31/12/2021									
Activity	Hazard	Persons at risk	Risk Factor LxS = RF			All of the following control measures must be implemented to reduce the risk factor to a tolerable level	Revised RF LxS = RF		
			L	S	RF		L	S	RF

<p>Ashcott FC undertaking training sessions and Matches at Ashcott Playing Fields</p> <p>Note: Where the control measures cannot be implemented sessions and matches will not proceed. Risk Assessment is based around the latest FA Guidance</p>	<p>General exposure due to working with players</p>	<p>Coaches and players</p>	5	6	30	<p>The contents of the FA Guidance will be implemented throughout, monitored and enforced with a designated COVID-19 officer appointed. Records of participants and supporters, carers etc, will be held to aid the NHS Track and Trace system either via the NHS app with QR codes present or all records held for a minimum of 14 days in line with isolation requirements. This is no longer a legal requirement but for matches and training participants of Ashcott F.C will be known by the Manager, coaches involved and the use of the App will be actively encouraged. First aid will be provided in line with the FA Guidance provided for the giving of first aid within the current climate. Lateral flow tests will be available and used at routine intervals by players ahead of matches and isolation procedures will be in line with the NHS system currently in use.</p>	3	6	18
	<p>Training and Matches hazards and controls</p>	<p>Coaches and Players</p>	5	6	30	<p>Normal training can now take place in line with the FA Guidance and bibs can be worn. All training equipment is to be routinely cleaned and sanitised and bibs washed prior to use.</p> <p>Changing rooms can be utilised and Ashcott F.C will encourage the wearing of face masks within these spaces but this is not a legal requirement and as such will not be enforced.</p>	4	6	24

Likelihood of Harm Occurring			Severity of Injury or Harm			Risk Factor
H	M	L	H	M	L	
5 or 6	3 or 4	1 or 2	5 or 6	3 or 4	1 or 2	High Risk > 24 Eliminate, discuss with Supervisor
						Medium Risk 13-24 Reduce risk, change work programme
Probable	Possible	Remote	Fatal/Major	Sprain/strain/over 7 day	cuts/bruises	Low Risk <12 Reduce as far as is Reasonably Practicable
